

## Report of the Activities of National Service Scheme

The National Service Scheme (NSS) at our institution has been actively involved in a multifaceted array of impactful activities, transcending boundaries to contribute to the betterment of both individuals and society. Our dedicated NSS volunteers have been instrumental in promoting physical and mental well-being through regular yoga sessions. In a noble endeavor to save lives, blood donation drives were organized, emphasizing the spirit of altruism. Concurrently, environmental consciousness was fostered through campaigns focusing on plastic awareness and tree sampling, aligning with our commitment to sustainable practices. As a mark of community service, our NSS unit facilitated Aadhaar linking services, participated in the cleanliness drive at Sabarimala Temple, and organized palliative care orientation programs, showcasing a dedication to compassionate outreach. Furthermore, the NSS actively engaged in a weekly food donation campaign at the Government Hospital in Konni, addressing the critical issue of hunger and underscoring the NSS commitment to societal well-being.

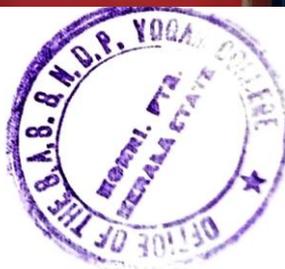

**Vishappu Rahitha Konni:** The National Service Scheme (NSS) at our college has always been committed to serving the community and addressing social issues. In line with this ethos, one of our standout initiatives is the Weekly Food Donation Campaign, aimed at alleviating hunger among inpatients and bystanders at Taulk Hospital in Konni. Every week, a dedicated team of NSS volunteers coordinates the collection, preparation, and distribution of food items to Taulk Hospital. The process involves careful planning and collaboration with hospital staff to identify the most pressing needs and ensure efficient delivery of the donated meals. In addition to providing sustenance, the Weekly Food Donation Campaign fosters community engagement and awareness about social issues such as hunger and healthcare disparities.

**Drug Awareness Programme:** The National Service Scheme (NSS) unit of SAS SNDP Yogam College, Konni, collaborated with the Konni Police to conduct a comprehensive drug awareness programme On 26/09/2022 ,aimed at educating the public in Konni about the dangers of substance abuse. This collaborative effort was driven by a shared commitment to community welfare and the prevention of drug-related issues.

**Voters awareness campaign:** The National Service Scheme (NSS) unit of our college organized a comprehensive voter awareness campaign on 29/12/2022 aimed at educating and empowering citizens to exercise their fundamental right to vote Interactive sessions were organized to discuss the significance of voting, electoral processes, and the role of citizens in shaping the democratic framework of the nation. Experts in the field of politics and governance were invited to share insights and address queries from participants. Around 100 students participated in the programme.

**Forest Cleaning:** The NSS team embarked on a forest cleaning mission to preserve the natural beauty of our surroundings. Equipped with gloves, bags, and determination, volunteers meticulously cleared litter and debris from hiking trails and picnic areas. Through their collective efforts, they restored the forest's pristine condition, ensuring a cleaner and safer environment for all. This initiative not only beautified the landscape but also raised awareness about the importance of responsible waste management. The NSS team's dedication to environmental stewardship inspires positive change and fosters a deeper connection to nature.

**Sabarimala cleaning:** The NSS team embarked on a cleaning drive at Sabarimala Temple, meticulously sweeping and scrubbing to maintain its sanctity. With unity and dedication, volunteers restored the temple's pristine condition, honouring its sacred significance. Their efforts ensured a welcoming and hygienic environment for devotees, fostering spiritual devotion.

**Blood Donation awareness and Blood Donation Camp:** The National Service Scheme (NSS) unit at our college organized a blood donation on 10/01/2023 awareness campaign in collaboration with the Blood Bank at the Government Hospital Konni. This initiative aimed to foster a culture of voluntary blood donation among students while raising awareness about the importance of blood donation in saving lives. A total of 27 students courageously stepped forward to donate blood. The blood donation process was conducted under the supervision of trained medical professionals from the Blood Bank, ensuring adherence to safety protocols and ethical standards.

**Forest fire awareness:** NSS volunteers from our college organized Forest Fire Awareness classes in nearby forest areas such as Thannithode, Chittar, Ranni, Vadasserikkara, and their surroundings. The program saw the participation of 50 dedicated students eager to learn about forest fire prevention and management. Through interactive sessions and informative workshops, volunteers educated attendees on the importance of fire safety practices and the ecological impact of forest fires. By spreading awareness in these vulnerable regions, the NSS team aims to empower local communities to protect and preserve their natural habitats.
