

SAS SNDP YOGAM COLLEGE, KONNI, PATHANAMTHITTA

(Accredited with NAAC B+)

IQAC, ANNUAL ACADEMIC PLAN 2019-20

Introduction

Since the inception in 1995, SAS SNDP Yogam college has been striving in pursuit of academic excellence. Jiding over the teething problems, the college now occupies a unique position amongst the colleges of Pathanamthitta District. It is now strategically poised to reach the next milestone of maturity.

The upcoming period in one of refinement and refocusing – a special opportunity to realize our potential and progress with fast, firm steps. Our strategic planning process has been modeled on our collective vision and ideas.

The new plan seeks to create novel practices that will motivate all students to ignite their potential that benefit the needs of the present era. We endeavour to propel the students in the directions of worthy living and synergy in addition to the robust academic accomplishment bolstered by real life experiences.

We invite you to read our plan to learn about our college and to imagine how you can contribute to our vision

Our vision

Our purpose is to occupy the horizons of knowledge, to extend them, and to ask bold questions that drive exploration forward. We strive to practice and teach learning and discoverer as ways of being that enrich lives, solve problems, extend opportunity, and create a better world.

Our mission

SAS SNDP Yogam college fosters excellence in the all the subjects taught here and provide a foundation for intellectual and creative experience. We apply diverse perspectives to understand and transform the world, enrich lives, and meet societal needs.

Inquiry is central to our work. We address fundamental questions through research, scholarship, and creative activity. Our efforts advance the frontiers of knowledge and artists expression, as well as the mission and strategic goals proposed by Mahatma Gandhi University.

The college is uniquely positioned to pursue liberal, board-based learning, in which inquiry and teaching proceed in tandem. We challenge our students and ourselves to think rationally, critically, and creatively for lifelong engagement in our human and natural worlds.

We are committed to outreach that promotes the common good and that empowers local, state, national, and global communities.

The college stands for academic excellence, development of skills and character formation based on the love of God and service of man as modeled by Sree Narayan Gurudevan, to produce intellectual trained, morally upright, socially committed and spiritually inspired young men and women of India. The college endeavors to achieve the integral development of human personality ensuring the possibility of living a fully human existence.

Aim and Objectives

This college envisages integral personality development of students through education. In order to accomplish this, special efforts are made to enable the students to

- Strive for excellence in every field of life
- Think in a simple, lucid, fearless and objective manner
- Seek, acquire and apply knowledge in everyday life situations.
- Be firm on principles and courageous in action.
- Be selfless in the service for their fellow beings.
- Be the agents of change that lead to the progress of our nation.
- Be the preservers of noble human values.

Competencies

SAS SNDP Yogam College believes that to prepare students for the future the curriculum must embed key competencies – the skills required to live, learn, work, and contribute as active members of society. The key competencies embedded in the MG University curriculum are:

- Thinking - using creative, critical, and metacognitive processes to make sense of information, experiences, and ideas.
- Using language, symbols, texts - using and making meaning of the codes in which knowledge is communicated.
- Managing Self - self-motivation, a 'can do' attitude.
- Relating to Others - interacting and collaborating effectively with a diverse range of people in a variety of contexts.
- Participating and Contributing - being actively involved in communities.
- Problem Solving - in groups and individually solving problems

SAS SNDP YOGAM COLLEGE, KONNI
