Dear Albi Thomas,

Greetings from Amrita School of Business!!

Thanks a lot for your interest in the PhD program of Amrita School of Business (ASB). Like every year, this year as well we received several applications for our PhD program from many outstanding candidates. The selection committee scrutinized each candidate quite thoughtfully and meticulously. While making the selection decision, we were careful that we should not be compromising the quality of our PhD program. Our selection process was also constrained by the limited number of intake that we could afford as well as the availability of expert faculty members in areas that are of interest to the prospective scholars.

Congratulations!!! We are pleased to let you know that you have been selected for the full-time PhD program at ASB.

You are required to join ASB, Coimbatore through Online mode on 26 December 2020. You are requested to bring all necessary documents and photocopies to be verified and recorded by ASB office following the reopening of our campus. Your admission to the PhD program is provisional and is contingent on satisfactory verification of your original certificates. If there is any shortfall of requirements, the PhD committee will assess the specific cases and advise you accordingly.

Your coursework for Term I (Online mode) will commence on 26 December 2020 and will continue until 25 March 2021. The three core courses during Term I are Research Methodology, Statistics for Management Research, and the Philosophy (and Practice) of Management Research. In addition to these courses, there will be research workshops, in-progress seminars by doctoral students and interactions with visiting researchers. You are expected to be part of all these academic activities during this period of course work.

Please inform us about your decision to join the PhD program by email latest by 10 December 2020. It will help us in planning the coursework and make necessary arrangements.

We look forward to meeting you at ASB,

Thanking you
